The end of February is fast approaching, and hopefully warm weather will be here shortly.

All the winter leagues are underway and are being well attended.

Here are some of the projects taking place now, or in the near future, at the club:

- The slab has been poured for the new generator
- The shades are back up in the shotgun house
- Election
- The Rifle building is being updated and LED lights will be installed on the rifle range
- A new ice machine has been purchased and should be installed soon
- Negotiations are still ongoing for the cell tower

The nomination sheet for the May election for Executive officers and Directors has been posted on the bulletin board. All new by-laws to be voted on by the membership need to be turned into Mark Wilson by the first Thursday in April.

There has been some confusion about the fees for shooting. I hope the following helps:

Skeet, Trap and 5-Stand – The spouse of the member pays member rate. Children under 19 years pay Junior rates which are now \$3.00 for skeet and trap, \$4.00 for 5-Stand.

Pistol, Rifle and Archery – Fees are included in the membership dues, and spouses, and children under 19, shoot at no charge.

Life members pay \$15.00 per year or \$1.00 when they use the ranges. Spouses, and children under 19, pay \$1.00. All children over 19 pay Guest rates for shotgun shooting, rifle, pistol and archery.

The Swap Meet will be on Thursday, March 17. The Calendar shows it on March 16 but the 17<sup>th</sup> is the correct date.
