As I am writing this President's Letter, the world is in turmoil and I'm hoping it returns to normal soon.

A few projects have taken place:

- 90 bags of insulation were blown into the attic of the shotgun house. This will help with the heating of the building.
- The cooling unit in the walk-in cooler was cleaned by Kurt Liederman.
- The drain for the bar sink was cleaned, the basement drains were jetted and the women's bathroom toilet was fixed.
- Thanks to Dave Coleman, Dave Landerschier and Wait List member Greg Pittman and sons.

MUCC is going to have Camp for Kids this year. Youths between 9 and 16 are encouraged to attend. If a member knows of someone who would like to attend please have them contact me. The camp is all about being in the out of doors and many different programs are offered. I can answer most questions about the camp.

I have a correction – Life members over 62 and retired do not have to pay the rifle and archery range fee.

The club is looking for members who would like to help out with the maintenance and repair of the skeet and trap machines. The club will train.

Elections for Officers of the club will be held at the General Membership meeting in May. A self sign-up sheet is posted on the bulletin board. All by-law changes need to be submitted to Mark Wilson by April 7. Any member wanting an absentee ballot must request it in writing and submit to the Executive Secretary.
