August 2024

www.northmacombmi.org

During the past month several different projects have taken place, and more are coming. Repairs to the Pistol and Rifle House are coming along well. The overhang has been re-built and the cement board is on. Thanks to the Tuesday crew.

The archery league is going to build a couple more bridges for the north area of the roaming archery course.

The fence fell down on skeet field 4 from high winds. The wood is here, and the fence will be re-installed shortly.

Five stand throwers have been replaced with new ones. The old ones are being placed up for sale. The price is \$1,000.00 each. There are ten machines available. If you are interested in one, please contact me. If more than ten people respond the names will be drawn at the August General meeting. The machines are being offered to club members only for their use.

The SCTP shooting league, of which the North Macomb Eagles are part of, awarded \$33,800 in college scholarships to 12 kids. Two members of the Eagles received scholarships of \$3,000 each.

The club is looking for tools that a member would like to donate. Items needed are hand tools like hammers and saws, weed whackers, blowers (electric and gas), shovels, rakes, etc. If you have items laying around that you have no use for, the club can use them. Contact Stuart at 810-338-6863.

Club dues, points and work hours are due by the last day of July.

The club picnic is August 18 and Hunter's Ed is August 24 and 25. See fliers in this newsletter.

The Thin Blue Line event can use more teams and workers. Last chance to get work hours.

At the July meeting, the membership was informed that 300,000 sportsmen in Michigan did not vote in the last Presidential election. Get out and vote.

Gun of the Week Winners:

| | |
|---------------------------|-----------------|
| Jun 20 – Edward Loniewski | Winchester SXP |
| Jun 27 – Al Perez | Howa M1500 .223 |
